Please read the following information carefully, even if your child has been to camp before. This packet holds important information for a great camp experience. We're so glad that you are a part of the CWP family!

SESSIONS

Troop Camp 1 (June 21-23) Year 3000 Theme. Check-in is at 4pm on Friday, and check-out 10am on Sunday.

Troop Camp 2 (July 12-14) Dream Team Theme. Check-in is at 4pm on Friday, and check-out 10am on Sunday.

The gate to Camp Whispering Pines will be closed at 9:00pm on the date of your arrival and will not reopen until 7am the following morning. If you plan on arriving after that time for any reason, please contact us to make arrangements.

CHECK IN and PICK UP

We utilize a drive-through drop off and pick up at all camps. Only the adults and/or leaders that will be staying onsite will be able to park. Leaders and adults staying for the duration of camp will back in to parking spaces in the lot, all other vehicles will drive through. Each troop will have staff partners that will assist campers and leaders through the ins and outs of troop camp. Once you arrive at camp, you will be instructed to drive to the station assigned to your group. The staff members will do lice checks, and ask screening questions prior to them exiting the vehicle. If you arrive before your camper's leader, the staff partners will provide supervision and support for your Girl Scout until troops leaders arrive. We ask that caregivers remain in their vehicles throughout the process.

MEDICATIONS

All prescriptions and non-prescription medication for campers must be turned over to their adult leaders. All prescribed medication must be in its original prescription container which lists the patient's name, medication, dosage, doctor's name and phone number. Leaders will dispense prescribed medication to your camper under current doctor's orders. Make sure you have an adequate supply to last the camp session. If you have any special instructions regarding non-prescription medication or medical conditions, please put them in writing to give to the leaders. Leaders will return all medications to you at the end of camp.

MEDICAL HISTORY

Physicals are not required for Troop Camp. Please make sure that you have completed the UltraCamp

profile for your camper. More information about completing your UltraCamp profile are included below.

COVID-19

At this time we do not require proof of negative Covid -19 tests. If any camper or staff shows any symptom of Covid-19 during camp, we will immediately isolate the camper and contact the caregiver for immediate pick up. That child or staff may not return to camp until a negative Covid-19 test result has been presented to the Camp Director. We ask that you help us by not sending you camper to camp if they are feeling unwell.

STAFF

Our camp staff are thrilled to be back with some returners and some incredible new additions! Our staff are here to help your troop have a smooth camping experience. You can expect for them to share meals with you and show you the ropes. Staff will also lead activities like archery, hikes and arts and crafts. Together with troop volunteer we work to provide campers with fun, safe, and enriching programs. Staff members attend a pre-camp training which includes safety management, child development, CPR and First Aid, and mental health awareness, and your Troop is required to have a certified first aider present onsite.

HOMESICKNESS

If this is your camper's first extended camp experience, they may miss home, especially the first few hours. Homesickness is a normal emotion for new campers, and the staff is trained to handle these situations. In order to make the transition to camp life go smoothly, we recommend the campers are not told you will come pick them up if they are homesick, or that they will be able to call home. A camper will feel successful and improve their self-esteem by learning to cope with homesickness. We will do our best to make camp a fun and memorable experience for your camper, however, if the homesickness persists, you will be consulted.

REFUND POLICY

If you have not yet paid your fees in full, please note that the balance due must be paid at least 14 days before the starting date of the session. Also, if you have paid in advance, refunds of camp fees (less your deposit) are only available when requests are received in writing at the council office at least 14 days before the session begins. Refunds do not include the per person / per session deposit; deposits are not refundable or transferable. Every effort will be made to place your camper in another camp if they cannot attend their scheduled program due to illness (doctor's note is required) or family

emergency.

ULTRACAMP 101

1. For every session of camp that is purchased, you will be provided a link to Ultra Camp. These links will allow you to provide the necessary health information for each participant prior to the start of camp. Find the links in the highlighted sections of your DoubleKnot receipt.

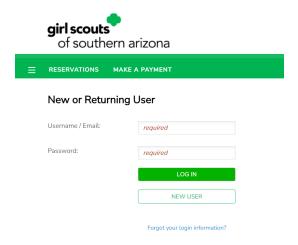

2. When you copy and paste the link, you should find a page that looks like this:

Click the "REGISTER" button to get started. You will be redirected to a login page that looks like this:

Select "NEW USER" to make an account – you will be the holder of the account and responsible for adding other members of your household (if they will be attending camp). Provide the requested information, then ADD INDIVIDUAL(s) to your account. Every person in your household (including adults) who is attending camp must be added as an individual in your account.

- 3. When you have added all members of your household, you can continue with your reservation of the camp session. Select the individual who is attending that session, and fill out the forms that follow, including their medications, if applicable. If you need to leave the website and come back, be sure to save your progress and return to the site later. You can access the site by using the same link you copied earlier, and signing back in.
 - If you have multiple people attending the same session of camp, copy and paste the link from the receipt again and follow the same steps for the other person(s). You should NOT need to fill out the forms all over again, simply confirm that the information you have already put is correct.
- 4. When you have completed the forms for your camper, congratulations, they're ready for that session of camp! To make sure your reservations are accurate, you can select "RESERVATIONS" to see all of the sessions that members in your account are signed up for:

If there appears to be a discrepancy between the camps that were paid for and the camps that are listed, please look back at your DoubleKnot receipts to ensure all the UltraCamp links were

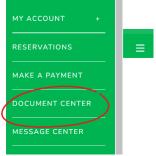

used. If there is a discrepancy or the wrong individual was placed into a certain camp, please contact Sequoia Smith at ssmith@girlscoutssoaz.org with the details of the issue.

5. If you have incomplete forms or tasks for an individual or individuals in your account, there

will be a notice at the top of your account profile: — click on "tasks" to complete the necessary forms. These forms MUST be completed before the start of camp — if they are not, we will not be able to welcome that person to camp. You can also visit the "DOCUMENT CENTER" on your account to see which forms are incomplete.
