

Senior Collage Badge:

1. Explore Collages. Check out these [5 Contemporary Collage Artists](#). You can read about the artists, and view their art. What composition, colors, materials, and messages stick out to you?
2. Compose a collage using [Cubomania](#) (example pictured below). Find an image (from a magazine, a picture, or something you print), and cut the image into little squares. Reassemble by gluing squares onto another piece of paper. You may try to recreate the image, or place the squares randomly.

3. Learn about the [color wheel](#), and consider how colors can help express your emotions. Create a collage using only one color, or with a color theme (i.e. Patriotic colors, your school colors, etc.). You can use magazines, advertisements, junk mail, and scrap paper, or you can create an electronic collage using images.
4. Create a collage using items you find at your house. For example, a food themed collage might have a sugar packet, a noodle, a napkin, and an empty cereal box. Keep in mind, any surface could be a collage- a piece of paper, cardboard, empty cereal box. You could even set your items on a table or the floor, snap a picture, and put your items back!
 - More ideas: Girl Scout items, School items, STEM/Gaming, Recycling, items that start with the letter "A", etc.
5. Create a collage to share a message. Either create a collage that represents you, OR create a collage that shares a message about a cause you believe in! You can use paper, found items, or create your collage digitally.

*****To complete this badge- email a photo of your favorite collage you created to mmyers@girlscoutsoaz.org & we will display it in our virtual gallery!**

You can purchase Badges at our online store <https://www.girlscoutshop.com/SOUTHERN-ARIZONACOUNCIL>
