

## Arizona Girl Week

Girls of all levels can earn the *Arizona Girl* fun patch, learning more about beautiful Arizona! For example, did you know Girl Scouts of Southern Arizona is one of two councils in Arizona, and serves girls across Southern Arizona, spanning SEVEN counties!? (Check out the map below!)

Girls can choose an activity (or more!) from below, or plan their own way to participate in Arizona Girl Week!

- Girl Scouts ♥ Arizona BINGO
- DIY Cactus Rocks
- Create a Desert Biome
- Pick a different city or county in Arizona, and investigate how it's similar and/or different from where your own
- Explore Arizona nature, animals, or state history your own way!
