

She & Me Week

Girls of all levels can earn the *She & Me* fun patch. Grab the “she” in your life (mom, auntie, grandma, older sister, beloved family friend, etc.) and dive into an activity together! You can take one of our suggestions below, or find your own special activity to do together. Don’t forget to thank your “she” for everything she does for you!

- Work in the garden together
- Cook together, and then chat while you enjoy your delicious food.
- Create (or update) first aid kits together.
- Take an early morning or cool evening hike together.
- Make a bird feeder together, then sit and watch the birds for a bit.
- Ask your “She” what she would like to do, then spend time together doing HER favorite activity!

Want to share what you’re doing this week for She & Me Week? Email mmyers@girlscoutsoaz.org and we will share your photo on our social media!

The *She & Me* patch can be purchased in the shop. Curbside pickup is now available at all three Girl Scout Shop locations. Please call ahead during listed hours to place your order and schedule a pick up.
