

Girl Scout Bronze Award Project Proposal Instructions

The Girl Scout Bronze Award™, the highest award a Girl Scout Junior can earn, gives you the chance to do big things and make your community better in the process.

This Project Proposal is to be used by you (and/or your team)—a registered Girl Scout Junior in grades 4 or 5—with assistance from your adult Girl Scout volunteer leader to gain approval for your Bronze Award project idea **BEFORE** continuing your project.

This form will help you think through the details of your project, helping make sure you have a plan in place that will set you up for success early on. Let's get started!

How to complete this form:

1. Familiarize yourself with Bronze Award guidelines: review the *Guide to Going Bronze*.
2. Read the Bronze Award Project Proposal questions ahead of time and think about your answers. If you are working in a group, fill it out together! You can work with a team of up to seven other Juniors or on your own. One form should be completed per project.
3. Complete and submit the Bronze Award Project Proposal. Approval is necessary at least 30 days **BEFORE** the project may continue.

A few friendly reminders:

- Finish your Bronze Award Take Action™ project and Final Report by September 30 of the year you or your oldest team members complete 5th grade. Submit the report to awards@girlscoutsoaz.org.
- To be recognized during the current membership year at the Young Women of Distinction event in the spring, the project must be complete and the Final Report must be submitted to awards@girlscoutsoaz.org no later than February 1.
- Take photos and/or video to document your project along the way—you'll be asked to share them after approval of your Final Report!
- The Final Report will require updating and reflecting on your approved Project Proposal. Keep a copy of this Project Proposal so you can answer the questions more easily.
- When the Bronze Award project winds down, the outcome may not be exactly as planned. That's OK! Girl Scouts earn the Bronze Award as long as award requirements have been met. What Girl Scouts learn in the process about themselves and the world around them is what's most valuable. Look at any unexpected twist as a learning opportunity.
- If your project ends up significantly changing from your current Project Proposal, please contact awards@girlscoutsoaz.org to let them know and they will advise you on next steps.

We*—the Girl Scout Junior(s), troop/group leader, and adult Girl Scout volunteer supervisor—agree and understand that the Bronze Award Project:

- Cannot be just a collection or donation drive. Donations may be part of a larger Bronze Award project.
- Cannot be a fundraiser for another organization, program, or individual.
- Is not simply volunteering time for another organization in an already existing project.
- Cannot be done by multiple teams. Only one team (1–7 Girl Scouts) may collaborate on each Bronze Award project.
- Is a Take Action project, not a community service project—even if the community service project is very large and takes a lot of time and hard work.

I, Girl Scout Junior, have read and understand all the requirements and guidelines specific to the Girl Scout Bronze Award as outlined by the *Junior Workbook for Earning Your Bronze Award* and council-specific requirements. I am aware of all deadlines for the Girl Scout Bronze Award. Should any major plans change, I will contact the person who approved my proposal.
