2026 Fall Product Program Guide
for Troop Volunteers

Fall Product Program Dates

Sept 20 to Oct 24

Participation

Girl Scouts can reach participation, even if they don't get any sales! Girl Scouts must create their avatar and send 20+ emails or share their site 20+ times via the share feature on their site.

As a troop, you must have 5 Girl Scouts* reach participation; at least 1 volunteer registered as an admin in M2, and the troop reaches a total sale of \$750.

NEW this year, your participation can help your service unit also earn proceeds when 50% of troops reach participation.

**If your troop is comprised of only Senior and/or Ambassador Girl Scouts, anywhere you see "5 Girl Scouts," you may adjust to 3 Girl Scouts.*

Quick Tips

- If you are a M2 admin for your troop AND a caregiver, you must log in as an admin first and set up your profile or you will be locked out of your caregiver account. Once your admin is set up and you receive your caregiver email, you log in as a caregiver, set up your Girl Scout's site, and next time you log in, you will be able to flip between the two sides with one login.
- You must use the email address on your MyGS account. If you need to update it, please send the new email address to rsouthee@girlscoutssoaz.org.
- Be sure to keep an eye on your email throughout the program —both council and M2 may send reminders and instructions (such as how to select rewards) .
- NEW: Customers can now easily toggle between the stores for the different product lines.
- YOU can earn a Personalized Patch with your M2 Avatar and name on it when you are the Admin for a participating troop and your troop reaches a total of \$1,500 in combined sales and you send a Parent/Adult Email through your M2 portal
- If a customer has questions about their order, it is best to contact M2 directly, as council does not have access to see order status.
- If a customer receives a shipped order that is incorrect or damaged, they should call M2 directly for the quickest resolution.
