

Juliette Program Credits

Because Girl Scouts that participate as Juliettes do not earn proceeds, we give you the opportunity to earn Program Credits. This will be given to you in the form of Nutty Dough with a “virtual gift card”. Program Credits can only be used within the Girl Scouts of Southern Arizona but can be spent at any of our three retail locations or at camp Trading Posts, to pay for council-sponsored event and programs, community or service unit camps and programs if they are in council’s registration system, Girl Scout membership fees, and, when banked as Travel Banks, used for council-approved extended travel and GSUSA Destinations. Program credits earned in the Fall 2026 Product Program will expire March 31, 2027.

This year - new higher levels!

Number of Units Sold	Program Credits Earned
